PROJECTS

Fanta website 🔗
- This is my first animated website, developed using HTML, CSS, JavaScript, and Locomotive JS. It demonstrates my foundational skills in modern web animation and smooth scrolling effects.

Spotify Clone 🔗
- To Implement my skills I' develop a fully working Spotify web Application using HTML, CSS, and JavaScript.

Mental health Application
- Creating this application with lots of features such as:-Guided Meditation & Breathing Exercises, Educational Resources etc.

Snake Game
- Creating a Nostalgia game in which everyone have been played in is past. with the help of HTML,CSS, and JAVASCRIPT.

ADDITIONAL CREATIVITY

Creating an Runner Android Game
- I'm also passionate about gaming, which led me to develop a mobile runner game using Unity Hub and C#.

Editing
- I'm also Passionated about Editing. and editing has the power to change the the perspective

LANGUAGES

- Hindi , English
